

Hi!
I'm Corona!

I'm a VIRUS
and a cousin of the flu
and the common cold

I like to travel
and jump from
hand to hand
to say 'Hello'

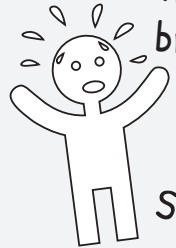

I'll tell you
a little more
about myself

You can
recognize me
by:

Difficulty
breathing

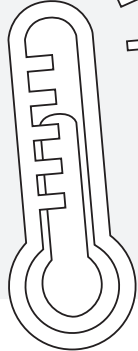

Snot nose

Cough

Fever

Bye!

But I'll always stay
for a while,
just like a wound on
your knee for example

Don't worry!
your parents/guardians
will take good
care of you

HELP

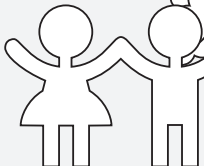

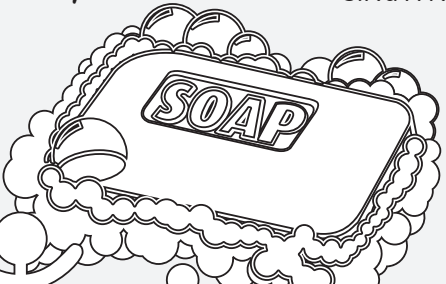

to wave goodbye to Corona

1. WASH YOUR HANDS
WITH SOAP AND MEANWHILE
SING A NICE SONG

2. USE HAND GEL, LET IT DRY
ON YOUR HANDS
AND COUNT TO 10!

1..2..3..4..5..6..7..8..9..10

And you are ready to continue playing!
